Announcements for junior research grants for the academic year 2020-2021

Resolution

Jael Rispa Salvadó, student of English Studies, has obtained a junior research scholarship from the UdL for the academic year 2020-2021. Her project, supervised by Dr. Àngels Llanes Baró is integrated in the research group of Cercle de Lingüística Aplicada.

More information available in the UdL scholarships web page (Secció de Beques):
