Cels Canviants, in Alcarràs

Stage reading

The staged reading of Núria Perpinyà's first book of poems, *Cels Canviants*, performed by Pep Planas, Núria Casado and with Jordi Cano's soundtrack, had a new show in Alcarràs and was the first event of the cultural programme of this village for this year. Since its première at Barcelona's Sala Beckett in 2023, the show has had performances in several literary festivals and theatres around Catalonia.
