Interview in UA1 Lleida about Dedal-Lit and CELCA research on the ageing studies

On 23rd February, Maricel Oró was interviewed in the programme 'Un dia més', within UdL Section. In the interview, Oró talked about the research on ageing studies that Dedal-Lit has carried out in the last years as well as the project they are developing at the moment, entitled PRO-SUEDAD. She also mentioned the fact that Dedal-Lit and Ratnakara have jointed forces and created CELCA: Centre of Literatures and Cultures in English.
