Introducció al món acadèmic: Recursos clau per a la docència i la recerca en humanitats

Workshop

On January 7th 2026, Judith Borràs and Irati Diert-Boté conducted a workshop which delved into frequently asked questions related to teaching and research in the English studies and humanities fields. The course aimed at informing PhD students and young scholars in the department about how their teaching and research would be (successfully) assessed.
