The Translation Process Series: New Voices. Volume 2 (2023)

Publication

We are pleased to present to you the second volume of the project 'The Translation Process Series' coordinated by Mariona Sabaté and Lorena Baudo, which includes, among other contributions, those of lecturers and students from the Double Degree LLETRA and Master's in Applied Languages.

Like its predecessor,

https://doi.org/10.21001/translation_process_series_volume1.2021 [

https://doi.org/10.21001/translation_process_series_volume1.2021t], this e-book presents a unique opportunity to delve into the fascinating realm of translation through the lens of various contributors, each bringing their own experiences and expertise to the table. By incorporating perspectives from scholars, graduates, undergraduates, and professional translators from a wide range of locations, readers are treated to a comprehensive panorama of the translation field.
